(Please list numbers where you can be reached during non-school hours in case we need to notify you of a change.)

I understand that if accepted to participate in this playday, my team will arrive on time with appropriate uniforms and equipment, and will be ready to begin warm-up by the scheduled time. (Numbers must be on front and back of shirt - pants/shorts - do not have to be official "uniforms", as that will not affect our officials ability to perform their duties appropriately.) Additionally, we will stay to compete in all our scheduled games.

Notification will be sent to all schools accepted to participate and a scheduling of teams to follow.
